INVOLVEMENT RECOMMENDATIONS FOR THE CHURCH

1. Involve young people according to their convenience, ability, interest, willingness and needs of the church and community.

2. Youth leadership is responsible to prepare and recommend young people to church administration for involvement according to ability, interest, convenience and willingness.

3. Church leaders should intentionally involve the youth in leadership roles in order to produce future leaders.

4. Regardless of the size of the church, every young person should be meaningfully involved at least once every two months in regular church service.

5. Young people must be challenged by church leadership to develop and participate in youth retention programmes/activities**.**
