INITIATION RECOMMENDATIONS FOR THE HOME

1) **First responsibility:** Parents/guardians have the first responsibility to introduce and explain to their young people the spiritual bond and benefits between the home and the church.

2) **Formal introduction*:*** In addition to any structural program by the church, the home should take the initiative to comprehensively introduce the child/youth to the fundamental doctrines, teachings and practices of the church.

3) **Collaborate with church leaders:** It is the home that should intentionally initiate collaboration with church leaders early in the life of the child to guide or correct any sign of conflict with denominational fundamentals.
