PRE-BAPTISM RECOMMENDATIONS FOR CHURCH

1. Identify and discuss with the youth the utilization of personal interest and skills before baptism.

2. Incorporate the youth into the regular activities of the church before baptism as far as possible.

3. Have a basic understanding of the social and spiritual background of the youth before baptism. This can assist in the unique retention program that will be designed for that young person.

4. Before baptism identify sub-cultures with an intention to manage any negative influence on baptized young people. (especially those who are predisposed).

5. Ensure that there is a basic understanding of the doctrines, teachings and practices of the church before baptism.
