EDUCATION RECOMMENDATIONS FOR THE CHURCH

1. The local church should provide personalised educational materials for newly baptized young people on the teachings and doctrine by:

a. Age
b. Intellectual ability
c. Spiritual maturity

2. Provide material and teach every newly baptized youth how to do friendship evangelism.

3. Teach regularly the fundamental doctrines to teenagers and young adults who were baptized in their preteens and teens.

4. Provide retention educational tools for parents with preteens and teenagers.

5. Educate, as is necessary, church leaders to deal with the developmental process of teenagers and young adults.
