INITIATION RECOMMENDATIONS FOR THE CHURCH

(a) Intensify the youth fellowship network to include senior members who understand young people immediately after baptism.

(b) Conduct a needs and competence survey with the newly baptized youth as early as possible. (three to four weeks after baptism a sample is provided on pages 42-45-)

(c) ***Make the receiving into fellowship a grand event***. If heaven is rejoicing why should not the church also celebrate in a meaningful may? Invite relatives and friends to the reception, the reception to membership for the youth should be a grand and memorable occasion as far as is possible.

(d) Get the newly baptized youth more fully involved and responsible with church activities according to competence, willingness and convenience.

(e) Set up a structured individual program to systematically go over the fundamental doctrines, teachings and practices of the church.
